Monday, October 18, 10 AM

Michael (Mike) J. Boyd, House of Boyd Society Historian, from Brisbane, Queensland, Australia will be in the United States for a state-by-state tour and visit.

He will be in Columbia to meet with all Boyd family members and interested parties to discuss his work as House of Boyd Society Historian as well as your genealogy research.

The two hour meeting is planned to be held at 10 AM on Monday, October 18th in a meeting room at the:

South Carolina Archives and History Center
8301 Parklane Road
Columbia, SC 29223

Mike has a keen interest in Boyd genealogy in South Carolina because so many Boyd families entered America and settled there. He will share his extensive global knowledge of Boyd family history and genealogy.

Additionally, the South Carolina Archives has an extensive collection of genealogy material. If you have never used the facilities, this will be a great opportunity to become familiar with what is there.

If you plan to attend, or if you have any questions or suggestions about the meeting, please send me an email.
